In Reply To: Voluntary Amendment.
Application No: 10/003,423
Application Name: COLLECTION ROLE CHANGING GUI

Dear Examiner:

This letter is a voluntary addition to the present pending application.

The purpose of this letter is to clarify my use of special lexicographic terms in the present application, and thereby save the USPTO examiner and myself unnecessary work reviewing, citing, and responding to irrelevant prior art.

A table of contents appears on the following page.
